Part 1 - Questions for Client Only:

1. Were the requirements/objectives of the project met by the student?

- ☒ All requirements were met
☐ Most requirements were met
☐ Some requirements were met
☐ No requirements were met

Add Comment:

All requirements were met whilst coming up with the design of this website. There were just minor things to touch up to make it final.

2. How satisfied were you with the communication during your project's completion?

- ☒ Very Satisfied ☐ Satisfied ☐ Neutral ☐ Dissatisfied ☐ Very Dissatisfied

Add Comment:

The communication was great, I constantly got messages and emails from Cooper with questions regarding the design of the site and how it would be laid out.

3. What is your impression of the student's knowledge and skill level based on your experience working with him/her?

- ☒ 5 (High) ☐ 4 ☐ 3 ☐ 2 ☐ 1 (Low)

Add Comment:

Cooper was very professional and took all the measures to complete this task on time.

4. How effective was the student in solving problems and making decisions during the completion of the project?

- ☒ Very Effective ☐ Somewhat Effective ☐ Not sure ☐ Ineffective ☐ Very Ineffective

Add Comment:

I threw a couple of problems at Cooper that I wanted to implement into the site and he handled them with no problem.

5. How likely are you to use the project in its final format (i.e., print and mail a marketing card to customers, add video or images to the website, and have business cards or letterhead printed with a new logo)?

☒ Very Likely ☐ Somewhat Likely ☐ Not Sure ☐ Unlikely ☐ Very Unlikely

Add Comment:

If we can attach a back-end to the site, I am very likely to use the site for future use.

6. How likely are you to ask this student to complete another project for you?

☒ Very Likely ☐ Somewhat Likely ☐ Not Sure ☐ Unlikely ☐ Very Unlikely

Add Comment:

I loved the design that Cooper came up with, I know that he is primarily a front-end major so the job that he did was excellent.

Comments from All Reviewers

Please provide ratings and comments on the following project criteria (1 = low and 5 = high):

1 2 3 4 5 Overall project quality

Comments: 5 - Cooper did a great job with the quality of the site. He hit every checkmark that I wanted and I am very pleased.

1 2 3 4 5 Level of creativity and originality demonstrated in the project

Comments: 5 - I gave Cooper 100% creative freedom on my site and I am really pleased with the designs that he came up with. He sent me wireframes to get a concrete layout and I really enjoyed the process of working through it with him.

1 2 3 4 5 Project contains an appropriate amount of information to meet its objectives.

Comments:

1 2 3 4 5 Quality of elements making up a project (HTML/CSS, photos, vector graphics, video, audio, animation, web objects/elements)

Comments: 5 - Cooper came up with the logo on his own and it was very high quality. The images that he used for the projects were professional and of good quality.

1 2 3 4 5 Project design (color, fonts, typography, layout/composition). The overall concept/theme/unified look of the website is effective.

Comments: 5 - I told Cooper that I liked the color red and initially wanted a dark theme but we opted to go for a lighter theme for better readability on the site.

Do you feel this project is appropriate to include in the student's portfolio considering skill-level demonstrated?

Comments: Yes I believe that this is quality work that he produced and it could definitely outline some of Cooper's skills.

Did you experience any technical difficulties as you navigated through the website or displayed the project?

Comments: There were a couple of buttons that initially did not link to the right locations but after I mentioned it Cooper fixed them and everything worked well.

What are the main strengths of the project?

Comments: The design was my favorite part of the site Cooper Created.

What are the main things that could be improved with the project?

Comments: I liked everything on the site. The bottom of the page lacks some content but we do not have a lot of options right now when it comes to filling in that space.
